

## We are going home today!

“Orders are - do not return to Earth  
Things have changed!  
We’ve got to go back!..  
life is sustainable now!  
Look at this plant, green and  
growing! Its living proof.  
Out there is our home!...  
and it’s in trouble!  
I can’t just sit here and...  
and do nothing!  
That’s all I’ve done!  
That’s all anyone on this blasted ship  
has ever done...NOTHING!  
I don’t want to survive!  
I want to live!”  
We are going home today!”<sup>1</sup>
